# A Christmas Story for All People ....

About that time Caesar Augustus ordered a census to be taken throughout the Empire. This was the first census when Quirinius was governor of Syria. Everyone had to travel to his own ancestral hometown to be accounted for. So Joseph went from the Galilean town of Nazareth up to Bethlehem in Judah, David's town, for the census. As a descendant of David, he had to go there. He went with Mary, his fiancé, who was pregnant.

While they were there, the time came for her to give birth. She gave birth to a son, her firstborn. She wrapped him in a blanket and laid him in a manger, because there was no room in the hostel.

There were sheepherders camping in the neighborhood. They had set night watches over their sheep. Suddenly, God's angel stood among them and God's glory blazed around them. They were terrified. The angel said, "Don't be afraid. I'm here to announce a great and joyful event that is meant for everybody, worldwide: A Savior has just been born in David's town, a Savior who is Messiah and Master. This is what you're to look for: a baby wrapped in a blanket and lying in a manger."

At once the angel was joined by a huge angelic choir singing God's praises:

Glory to God in the heavenly heights, Peace to all men and women on earth who please him.

A very searching question for us as we draw nearer to Christmas is: "How far is it to Bethlehem?" This is not only a very searching Neil has sung for years and question, but also a very important one that we all need to answer. In reality, Bethlehem is not that far by jet. It is really only a matter of hours away. By physical map Bethlehem is only about 5 or 6 miles south of Jerusalem. Bethlehem and the Christ Child in

As we examine the Christmas story we see that Bethlehem was a long way for the innkeeper and King Herod. It was very near for the shepherds and the wise men. The innkeeper was too busy and Country Cathedral selfish to locate Bethlehem in his heart. Herod was too afraid and jealous to find Bethlehem in his heart. But the shepherds found the Savior physically and spiritually as thy left their flocks and journeved the five or so miles into Bethlehem. The wise men, too, talking in terms of geography, but we are talking in spiritual terms. The Christmas season is here and for the Mularz family that 62-52 win over the Goshen means being with family and friends and sharing fellowship and Eagles, at Elba. gifts with those we love. May the joy of the season also be with you!

FOR WHAT IT IS WORTH....

\*\*\* The Elba Tigers upped their record to 7-4 last week with a home win over Goshen and once again the Tigers looked like world beaters at times and then at other times couldn't find their way to the basket with a road map. The Tigers don't have much height and must run and play defense to have a chance to win no matter the opponent, but in early-season action they have gone for minutes at Kelley drilled his third threea time without scoring points and most of the time the long scoring pointer of the period. Goshen a furious fourth quarter rally to sistent on offense they will become consistent winners and may be a team to watch in 2A circles.

The Lady helped the Tigers regain com- as YoYo Reynolds nailed a pair favorite to make a run at the region tournament, but still have a lot of improvements ahead of they want to advance.

\*\*\* The county basketball scene is still wide open and fun to watch as Zion Chapel, Kinston and New Brockton all stay near the .500 mark and give their fans plenty to cheer about every time they take to the court. None of the teams are ranked in the state polls and they all do get beat almost as often as they win. However, this is the best year in quite a while for the county teams and the coming with 4:01 left in the quarter. Waddail. However, the Lady

\*\*\* I used to watch a lot of bowl games each year, but after looking at the long list of games on tap this season I have made up my mind to just watch a few outside the Sugar Bowl and Music City Bowls. I may stay up and watch a quarter or two of the Troy game against Northern Illinois and do plan on watching the Orange Bowl, but other than that I will probably just take a nap or watch reruns. \*\*\* In closing.... the youth basketball leagues will tip off the first week in January with all games to be played at the Elba Recreation Center. This season there are leagues for boys and girls ages 4-12.
